Account access: verbal or written references

Order references, whether verbal or written, can be applied as a mandatory step when goods are booked to an account. Using order references (or 'purchase order numbers') can help with account administration and controlling account accessibility.

Please select **one** option. We may contact you to discuss further.

- Option 1:** I do **not** require any verbal or written order references as a mandatory step on my account. Order references can still be entered, but they will not be mandatory.
(Default)
- Option 2:** A reference name or an order number must be given to the salesperson before goods can be booked to my account. This can be verbal or written and can take any format - e.g. '62 West Wallaby Street' or 'Henry' or '2468'.
- Option 3:** A specific format of verbal or written order number must be quoted before goods can be booked to my account - e.g. 'ABC / 1234'.
If you know the format of the reference you'd like to use, please provide it here _____

Please note: we cannot guarantee that order references provide complete account security, but if you are concerned, we would be happy to discuss how best we can tailor your account settings to your needs.
